

Oh, oh, oh
Evolution, made it my mission
To win the conflict
Oh, oh, oh

Evolution, hope you listen
be my accomplice, ohohoho

Relax, it's only dreaming fast
Give away to feelings
No, you never escape
Now it's over when you wake up

So I know that it was
In the picture perfect world
You could be my more than before
Said it was, I may be stronger!

The new beginning,
My head is spinning
The perfect start, and oh, oh...
A church
A place to fit in
a new religion
I found your heart, oh, oh, oh

Relax, it's only dreaming fast
Give away to feelings
No, you never escape
Now it's over when you wake up

So I know that it was
In the picture perfect world
You could be my more than before
Said it was, I may be stronger!
mmmmm mmmmm mmmmm mm
mmm

Don't get mad, you did your best,
And now we are in the past to stay

Till I know that it was
In the picture perfect world
You could be my more than before
Said it was, I may be stronger!

In the picture perfect world
You could be my more than before
Said it was, I may be stronger!
